

**Ball Valve with G 6/4" union nut**

<p><b>Ball Valve with G 6/4" union nut</b></p> 	<p><b>Application</b> heating systems</p>
	<p><b>Purpose</b> intended for tight closure or opening working fluid flow</p>
<p><b>Codes</b></p>	
<p><b>14 890</b> ball valve with check valve</p>	
<p><b>15 305</b> ball valve without check valve</p>	
<p><b>Technical Data</b></p>	
<p>Max. working pressure</p>	16 bar
<p>Max. working fluid temperature</p>	120 °C
<p>Connection</p>	G 1" F x G 6/4" F (union nut)
<p>Weight</p>	460 g (incl. check valve)
<p><b>Materials</b></p>	
<p>Valve body</p>	nickel-plated brass
<p>Ball</p>	chrome-plated brass
<p>O-rings</p>	EPDM
<p>Ball seal</p>	PTFE

**Version with check valve**
