	Working substance	air
	Codes	18619 for ø100 mm 18620 for ø125 mm

Technical Data	
Filter class by EN 779:2012	G2
Efficiency by ISO 16890	ISO COARSE 40%
Nominal airflow	3400 m ³ /h/m ²
Initial pressure drop at nominal load	23 Pa
Recommended final pressure drop by ISO 16890	200 Pa
Maximum temperature resistance	90 °C
