

DATA SHEET

RCD2 Room unit

Main Features	
Application	Room unit for AHC40 actuator w. OTC controller. Besides room temperature, also relative humidity and atmospheric pressure are measured.
Installation	On a wall with enclosed screws.
Code	16973

Technical Data	
Power supply	From the connected valve actuator (AHC 40) controller.
Consumption	Max. 0.02 W
Clock power supply	Battery CR2032
Clock accuracy	± 1s (24 h) at 20 °C
IP rating	IP 20
El. protection class	III
Ambient temperature	0 to 40 °C
Weight	140 g

Sensors	
Temperature sensor type	Murata NTC (10 kΩ)
Other integrated sensors	Sensor of humidity, pressure (air), ambient light

Housing Data	
Colour	white
Material	PC thermoplastic
Dimensions (W x H x D)	82.7 x 125.7 x 17 mm
Wall mounting	2 screws

Storage Data	
Permitted temperature range	-20 to 65 °C
